WHY COSMECEUTICAL BUSINESS MEETING

- The event responding positively to the challenge in the COSMECEUTICAL and AESTHETIC MEDICAL & BEAUTY sector for the distributors/importers to find the right brands.
- ONLY decision makers of brands and distributors/importers.
- Ideal platform to find your right brand partner which have the potential of becoming future leading brands from across the globe through their innovation and differentiation factors.
- Guaranteed minimum 15 meetings in two days, each meeting for 30 minutes with each brand of your selection.
- Brands that have the potential to succeed in your market, stability, experience, and resources to deal with big and international distributors, optimizing your opportunity to have a serious, high-level and fruitful discussion.
- An extra dedicated time to continue your discussions and negotiations.
- Save time, money and energy:
 - Meet several brands from different countries worldwide at one place and time of your choice and demand.
 - Access in advance to the company profile of the brands much ahead of the event date.
 - No pre-marketing needed before the event, taken care by the organizers. Ensuring the right meeting with the right brand.
 - All meals, cocktails included in the package.
 - Access to your final agenda of the meetings before the event date.
 - Take advantage of the **All-inclusive package**: accommodation - speed meeting - conferences - Gala Dinner - networking! «All you have to do is business»
